Welcome to Makom!

Welcome to Makom! This is the place to be for teen engagement at Temple Beth Sholom. The word *makom* in Hebrew means place. It can refer to a physical place, a spiritual place, or even to the idea of God in our lives.

At Makom we are dedicated to providing opportunities for compelling and relevant Jewish experiences and learning. Students will cultivate and nurture their relationships with the sources of our tradition, TBS clergy and educators, each other, and the greater community, allowing Jewish values and thinking to inform meaningful Jewish choices.

In other words, Makom is where you can find and express your place in the Jewish landscape and in the broader world.

This brochure contains all of our teen programs. Feel free to choose any individual program or a combination of programs.

Gemilut Hasadim – acts of loving-kindness – is one of the three pillars upon which we are taught the world stands. In commitment to that idea, and to our responsibility to make the world a better place, we invite you to participate in monthly service learning projects around the community focusing on turning our values into real action in the world. Each time we gather we will spend some time studying texts from our tradition and then putting those ideas into action through direct service in and around the community.

Mondays @ Beth Sholom – (still MBS!)

Grades 9—12

Monday Evenings 6:30-8:30 PM

MBS is your weekly opportunity to take a deeper dive into aspects of your Jewish life. Even if you have not attended religious school recently, we would love for you to come back and check out MBS.

Classes taught by our Clergy and community educators will engage your mind and your soul through exploring topics such as Jewish Ethics, our relationship to the people, land, culture and State of Israel, Jewish food, spirituality, and the pressing social issues of our day.

Confirmation Class (part of MBS)

10th Grade

Monday Evenings 6:30-8:30 PM

Our Jewish journey's do not end following our bar or bat mitzvah. In fact, they are just beginning. Our confirmation class is geared towards building on the foundation in Jewish life and living that you have developed until now and enables you to delve more deeply into the meaning of your Judaism and the ways in which you will express it as you mature into adulthood.
