## The Words of My Father

*Love and Pain in Palestine*

"At one of the darkest times in the elusive effort to end the conflict in the Middle East... [comes a] remarkable new memoir."—*The New Yorker*

**Yousef Bashir**

Amid the tragedy of the ongoing Middle Eastern conflict, *The Words of My Father* is both a powerful tale of moral awakening and an affecting story of ferocious and profound love between a son and his father. With conviction and arresting humanity, Yousef Bashir delivers an indelible reminder that compassion and forgiveness are uncommon gifts – and ours to choose.
