Dear Temple Beth Sholom Families,

Hope you are all well. The High Holiday season is now just around the corner and the time has come to choose your time slot for the service you want to attend. As spacing is limited and finite for each tent in which the services will be held, it is very important that we receive your choice(s) of services for each of your children and that we know how many children and adults in all will be attending from each family. Please note that parents/guardians need to accompany their children at all services. Zoom link information will be provided closer to the date. **All services, unless otherwise noted, will be held outside in a tent at TBS. Masks are required to ensure everybody's safety.**
